Dear Michael,

We wanted to express to you how thrilled we are with our home in Sagaponack. It was a pleasure working with your team from the beginning of the construction drawings to the final execution. You and your team brought excellent ideas to the project and worked seamlessly in creating the concept and potential we all envisioned.

We greatly appreciate your thoroughness and honesty as you were both budget conscious and highly knowledgeable of our needs throughout the remodel process. Your entire team is professional, patient and diligent in planning and executing. As you were highly recommended to us, we too would highly recommend Forst Construction to others. Thank you again for coming in on time and on budget!

Warmly,
